

MEN'S TRACK & FIELD

St. Thomas men's track & field has won 59 of 64 M.I.A.C. Team Championships and has averaged six NCAA All-Americans per year for over 28 years. We hope you will join us as we continue our proud tradition of success.

"There are many reasons for our track and field success at St. Thomas. We're more than simply a team -- we're a program; a program that consistently attracts talented student-athletes who are motivated to succeed. Our students know they will receive an outstanding, small-school education while experiencing all that a big-time track and field program can provide".
